ANNEXURE-I

(to G.O.Rt.No. 282 , Panchayat Raj & Rural Development Department,
dt.09.03.2010)

CHARGE:

That Sri A. Ravinder Reddy, while working as Superintending Engineer, RWS Circle, Nizamabad, had committed irregularities in purchase of materials of hand pump spare parts and GI pipes 32mm, in violation of codal rules and provisions for his personal gain. Thus, he had derelicted his official duties and mis-utilised his official position.

BASIS:

The V&E Dept. in their Vigilance Report No.130 (197/V&E/E2/2002), dt. 16.12.2002 reported that Sri A. Ravinder Reddy, the then Superintending Engineer, RWS, Nizamabad, had received indents from Executive Engineers, RWS, Nizamabad and Banswada, for procurement of hand pump spares and GI pipes during 9/2000, 10/2000 where in the requirement has been indicated for Nizamabad District was about 31.12 laksh and no amount was indicated in respect of Banswada division.

Tender Notice was issued by Superintending Engineer on 05.11.2000 for procurement of material worth Rs.14.20 lakshs in case of Nizamabad division and Rs. 4.50 lakhs in case of Banswada division. The purchase orders for spares were placed duly splitting total quantity on (5) firms at 9.65% excess duly accepting all the firms offer who quoted 9.65% for Nizamabad Division and similarly for (2) firms in case of Banswada Division. During February 2001, again purchase orders to a tune of about 19.57 lakhs were placed on the same firm who were given orders in 12/2000 without calling for tenders. Again on 24.03.2001, the Superintending Engineer placed some more purchase orders about calling for tenders on the original firm (Rs.9.50 lakhs).

From the above, it is evident that, the Superintending Engineer, RWS Circle, Nizamabd violated all the procedures. The action of splitting the quantity and awarding to all firms who quoted 9.65% excess is not at all correct. He should have cancelled the tenders as all the firms were quoting the same amount. When contractors profit was added in the estimate rate, he should not have accepted for the excess. He failed to appreciate the ring formation as (5) out of (7) firms were quoted 9.65% quoted for spares. Placing purchase orders twice on the same firms without calling for tenders after first tender process was completed on receipt of material is highly irregular. The materials are not supplemental items to the original supplies. Further, it is concluded by the V&E that, reducing the procurement in tender notice than the requirement submitted by Executive Engineers, splitting the total quantity among number of firms and again placing orders for more quantity on the same firms gives room to doubt the bonfides of the whole process.

Hence, the Charge.
